CELL PHONE USAGE AUTHORIZATION

I request that my child, _____ be able to have his/her cell phone at school. I understand that the purpose of having the phone is for after school activities only. My child and I understand the following restrictions:

1. The cell phone must be turned off and kept in the student's backpack and left in their homeroom during school hours.
2. If a student is caught carrying a cell phone they will receive immediate detention and have their phone confiscated. Only a parent or guardian may retrieve the phone back.
3. All parents who wish to have their child have a cell phone for after-hour purposes must have this signed authorization form on file with their child's homeroom teacher.

Please be aware that the students always have access to school phones while on the school premises, even after hours. They will always have a way to contact you even without a cell phone. Also, no other electronic equipment including Ipods are allowed on school premises.

Sincerely,

Lauren Longa
Principal
