## FAMILY COMMITMENT AGREEMENT

2009-2010 School Year

Families are asked to sign this family commitment agreement in order to confirm that they understand the terms of accepting the contribution family tuition rate and to confirm that they understand the terms of their service commitment to the school.

### Contributing Family Commitment

I understand that I have requested the Contributing Tuition Rate. Therefore I agree to:

1. Attend Mass with my children on a regular basis ( At least 3 times per month)
2. Contribute to the support of the parish through the use of the envelope system

Parent Signature \_\_\_\_\_ Date: \_\_\_\_\_

### Family Service Commitment

I understand that Our Saviour Catholic School requires each family to make a service commitment that reduces the parish subsidy, allows for the purchase of new school equipment and programs, and maintains tuition at an affordable level. The family service commitment consists of:

1. **100 Points of Service (20 volunteer hours) per family.** See volunteer sign up sheet for a list of 100 point positions and 5 & 10 point opportunities. \$5.00 = 1 point.
2. **Four hours per child over the 4 days of the Annual Fall Fair** (does not include fair construction hours, being a booth captain, or any work done prior to the fair starting).
3. **Participation in school fund raisers** such as Annual Gala, Golf Tournament & 1000 club.

Parents who do not complete the service points will be assessed \$500.00. Parents who do not complete the fair commitment will be assessed \$500.00 per child. Parents who do not complete the Bingo commitment will be assessed \$200.00. Registration for the next school year may not be completed until the fees have been paid. All student records and transcripts will be held until the fees are paid.

I understand the Our Saviour School service policy and I agree to comply with it. I understand that failure to comply will result in an assessment of extra fees.
